OUR QUALITY POLICY

We are fully committed to our quality policy.

The quality policy applies to all levels in the organization. All our products and services will meet or preferably exceed our customer's expectations – through the entire business process, from orders to final deliveries and use of our products, systems and services.

To ensure that we meet our responsibilities and obligations to our customers, our people, our partners, our suppliers and to our shareholders we are committed to the following Quality Objectives:

- Deliver on-time and on-quality products, systems and services that meet or exceed our customer's expectations.
- Identify and understand our customer's expectations, measure customer perceptions, and implement improvements to increase customer satisfaction.
- Enable and engage our people at all levels in a relentless drive to improve operational performance along the value chain from suppliers to customers.
- Increase the motivation and skills of our people to add value to our customers and our businesses, through continual training and development.
- Leverage our partners and suppliers strengths to improve our products and our businesses from product design through production, installation and operation.
- Embed social responsibility and company ethics policies in our business practices.
- Continually improve environmental, health and safety performance through all products, operations, systems and services.

SAFETY HEALTH & ENVIROMENT

The safety of our workforce is the most important aspect of our business, no exception. Thus, the company is committed in ensuring that our operations are conducted with zero harm to all people and the environment and the quality of our products and services are upheld and consistently maintained. To achieve this, the company empower people to**:**

- Intervene when they witness any 'at-risk' behavior.
- Lead by example.
- Identify and manage hazards associated with the activities for which they are responsible.
- Courageously and honestly report all accidents and hazards.
- Take the time to do things right; do the job safely or not at all – do not cut corners.
